++ Valid for broadcast between 1800 and 0600

Headline:
Remaining cold with wintry showers.

This Evening and Tonight:
Remaining cold with further showers, occasionally wintry over high ground, though perhaps not as frequent as recently allowing more clear spells and therefore, with an increased risk of frost and ice. Breezy along coastal areas. Minimum temperature -1 deg C (30 deg F).

Monday:
Sunny spells and scattered showers, occasionally wintry over high ground though becoming less frequent in the afternoon. Risk of icy patches early and late. Feeling bitterly cold in the wind. Maximum temperature 5 deg C (41 deg F).

Outlook for Tuesday to Thursday:
Staying cold with sunny periods and occasional wintry showers on Tuesday and Wednesday. Cloudier on Thursday, with rain, sleet and snow moving south. Sharp frosts and a risk of ice.
